

1:16 John Deere 2010 with KBL Disk

50th Anniversary Collector Tractor with DVD From ERTL

JOHN DEERE

Actual Tractor Shown

The John Deere 2010 tractor features a 50th Anniversary collector insert, die-cast front and rear wheels, a steerable wide front die-cast axle, movable levers and an authentic styled, positionable 3-point hitch. The John Deere KBL Disk with rotating disk blades attaches to the tractor's hitch. 50 gold-plated chase units are randomly inserted.
